After the apply and are approved, they will see a summary of the grants they applied for.

The screenshot displays the 'Child Care Pandemic Relief Fund - Provider Portal' interface. At the top, there is a header for the 'Office of Children and Family Services' with a language selection dropdown. Below the header, the user's profile information is shown: '<Provider Name>', 'License/Registration/Permit ID: <FacilityID/PermitNo>', and '<Modality>'. A dropdown menu is currently set to 'Essential Worker Scholarship'. On the right side, there are two buttons: 'View Grant Applications' and 'Update my Payment Info'. Below this information is a section titled 'Summary Grant Applications' which contains a table with the following data:

Application Number	Date Submitted	Status	Grant Type	Grant Amount	Date Paid
123456	7/1/2021	Approved	Business Continuity	\$75,825	

Two red arrows are overlaid on the image: one points to the 'View Grant Applications' button, and the other points to the 'Approved' status in the table.
