This release introduces the revised mandated DSS-4403: "Determination Of Eligibility For Emergency Assistance To Families (EAF)" (Rev. 10/94).

EAF is a federally participating program designed to deal with crisis situations threatening a family with children under age 21 and to meet needs resulting from a sudden occurrence or a set of circumstances demanding immediate attention. The DSS-4403 was created to assist in the Department's goal of increasing federal funding by aiding workers in correctly claiming EAF at case acceptance.

The revisions to this form are:

I. The Revision Date was changed to 10/94.

II. In Section II, Question 6 was revised to read:

Was there an EAF authorization with a date less than 12 months from today, and the current crisis does not stem from the original EAF emergency?

III. In the fourth bullet at the bottom, the word "specific" was changed to "special".

Delivery of this form to the Albany Warehouse was in December 1994. Your district will not automatically receive copies.

Since NYC/HRA currently is using a Department-approved local equivalent for this form, supplies will not be shipped to New York City.

In order to ensure that usage of the revised forms begins within a reasonable amount of time, you may continue to use the existing (5/94) version of this form until your stock is depleted, or until April 1995, whichever occurs first.

Note: All requests for approval of local equivalent forms must be submitted in accordance with the procedures described in 89 INF-53 and pages 12-1 through 12-7 of the Local District Manager's Guide.

Requests for the DSS-4403 (Rev. 10/94) should be submitted on Form WMS-47 (Rev. 9/89) and should be sent to:
