## APPENDIX G-3

### III. Reasonable Distance, Very Low Income, Family Share, Case Closings and Openings, and Fraud and Abuse Control Activities (Required Section)

#### Reasonable Distance

Your district is required to define reasonable distance based on community standards for determining accessible child care.

The following defines "reasonable distance":

For the purpose of determining whether child care is accessible to a TANF recipient who is a caretaker relative of a child under the age of 13 Dutchess County defines a reasonable distance as **one-way travel time up to one and one half hours from home to a work activity with a stop at a child care provider.**

Describe any steps/consultations made to arrive at your definition:

The Department determined that a distance of two miles from a bus route was appropriate.

#### Very Low Income

Very Low Income is defined by each district and is used in determining priorities for child care benefits.

Very Low Income is defined as **100%** of the State Income Standard.

#### Family Share

Family share is the weekly amount paid towards the costs of the child care services by the child's parent or caretaker. In establishing family share, your district must select a percentage from 10 percent to 35 percent to use in calculating the family share. The family share of child care is calculated by applying the family share percentage against the amount of the family's gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by our district **30%**.

#### Case Closings (select one)

Our district has established local priorities beyond the federally-mandated priorities. If all NYSCCBG funds are committed, our district will discontinue funding to those families that have lower priorities in order to serve families with higher priorities. Described below is how our district will select cases to be closed in the event that there are insufficient or no funds available.

Our district has not established priorities beyond the federally-mandated priorities. If all NYSCCBG funds are committed, case closings for families which are not eligible under a child care guarantee and are not a federally-mandated priority must be based on the length of time in receipt of services. The length of time used to close cases may be based either on the shortest or longest time receiving child care services but must be consistent for all families. Our district has chosen to close cases based on

- shortest time receiving child care services
- longest time receiving child care services

### **Case Openings**

Described below is how our district will select cases to be opened in the event that there are insufficient funds available.

In the event that there are limited funds available the County will continue to accept applications for day care.

As funds become available, the County will open case in the following order:

1. Families with income between 100% AND 125% of the SIS.
2. Families with a child with special needs
3. Families with income between 126% and 150% of the SIS.
4. Families with income between 151% and 175% of the SIS.
5. Families with income between 176% and 200% of the SIS.

**All families with an open Child Protective Services case in need of care to protect a child will be opened whether or not we have child care block grant funds.**

## **Fraud and Abuse Control Activities**

**The district must identify below the criteria it will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payment and procedures for referring such applications to the district's front end detection system.**

### **DUTCHESS COUNTY FRONT END DETECTION SYSTEM PLAN FOR OPERATIONS FOR NYSCCBG CHILD CARE CASES**

**Prepared by:**

Donna Daughton, Supervisor of Special Investigations, (845) 486-3283

**FEDS Contact Person:**

Donna Daughton, Supervisor of Special Investigations, (845) 486-3283  
60 Market Street, Poughkeepsie, New York 12601

1. The following criteria will prompt a Child Care FEDS Referral:
  - Working off the books
  - Self-employed without adequate business records
  - P. O. Box used as a mailing address without cause
  - Client unsure of own address
  - Documentation to verify identity is suspect
  - Documentation or information provided is inconsistent with application
  - Previous case closing or overpayment resulting from an investigation
  - Application inconsistent with prior case
  - Children under six with no birth certificate
  - Provider lives in same household as parent
  - No absent parent information or information inconsistent with application

2. Childcare Unit Process and Procedure:

The FEDs referral will be reviewed for each Childcare eligibility interview. When one or more of the circumstances listed above occurs, the referral form and the appointment notice are completed by the Childcare worker. The referral is given to the Childcare supervisor with the case record. The supervisor reviews the referral and, if appropriate, sends the FEDS referral to the Special Investigations Unit (SIU) within 24 hours of the date of application.

**The district must describe below its sampling methodology used to determine which cases it will seek verification of an applicant or recipient's continued need for child care including, as applicable, verification of participation in employment, education or other required activities.**

For all low income and transitional child care cases, a recertification application is completed yearly (copy attached). An Employment Questionnaire (copy attached) is also completed yearly. This results in a contact every six months. Verification of income is required at each contact. A new enrollment form is only required at recertification.

For child care for TA individuals in training, participating in WEP, attending approved drug/alcohol treatment, or employed, a new enrollment form is required yearly. All informal providers must submit forms to the child care supervisor who reviews them and forwards them to the child care council for approval. Payment is made only if provider is approved and verification of attendance/participation is received. Payment is made for actual hours of participation plus reasonable travel time.

**The district must describe below its sampling methodology used to determine which child care providers of subsidized child care services they will review for the purpose of comparing the child care providers attendance forms for children receiving subsidized child care services and any child and adult care food program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.**

Dutchess currently has approximately 47 providers who are not day care centers in the Child Adult Care Food Program. The Child Care Council of Dutchess (CCCD) forwards the attendance forms from each inspection to the Department where annually 40 of the 47 providers are selected for a point in time review. The Supervisor of the Day Care Unit contacts the CCCD member who is in charge of the site visits on a monthly basis and requests a list of 3-4 providers that had site visits done that month along with the names of the children present at the time of the visit. He will then compare the information to the attendance forms for that provider to verify that DSS was billed correctly. Any discrepancies will be referred to the Special Investigations Unit for further action.

**TRANSPORTATION, DIFFERENTIAL PAYMENT RATES, ENHANCED MARKET RATES**  
**FOR LEGALLY EXEMPT, SLEEP**

**Transportation**

Describe below under what circumstances and limitations if any your district will use to reimburse for transportation, what type of transportation will be reimbursed (public vs. private), and how much your district will pay (per mile or trip). Note if paying for transportation, Appendix F will need to reflect this choice.

**Differential Payment Rates**

Indicate below the percentage above the market rate your district has chosen.

Accredited Programs may receive a differential payment up to \_\_\_\_\_ percent above market rate.

Care during non-traditional hours may be paid up to \_\_\_\_\_ percent above market rate.

Limitations to the above differentials are as follows:

Payments may not exceed 15 percent above market rate. However, if your district wishes to establish a payment rate that is in excess of 15 percent above the applicable market rate you must describe below why the 15 percent maximum is insufficient to provide access within the district to accredited programs and/or care provided during non-traditional hours.

**Enhanced Market Rate For Legally-Exempt Family and In-Home Child Care Providers**

If a district elects to establish a payment rate that is in excess of the enhanced market rate for legally-exempt family and in-home child care providers who have annually completed 10 or more hours of training and the training has been verified by the legally-exempt care giver enrollment agency. The district must state the percentage above the market rate it proposes to use.

Our district is requesting to increase the legally-exempt enhanced market rate up to \_\_\_\_ percent of the applicable registered family day care market rate. Market rate may not exceed 75 percent (75%) of the child care market rates established for registered family day care.

A district that selects the option to increase the legally-exempt enhanced market rate must select one of the options listed below for implementation of the legally-exempt enhanced market rate:

for all legally-exempt family and in-home child care providers that have been approved by the applicable legally-exempt caregiver enrollment agency; or

for those legally-exempt family and in-home child care providers who were receiving the enhanced rate on the date of the regulations, but only for the remainder of their current one-year enrollment period; or

for those legally-exempt family and in-home child care providers who were receiving the enhanced rate on the date of the regulations, for the remainder of the time they remain enrolled and continue to meet the ten-hour annual training requirement.

### **Sleep**

The following describes the standards that will be used in evaluating whether or not to pay for child care services while a parent or caretaker that works a second or third shift sleeps and any limitations pertaining to payment:

**The district will pay for child care while a parent or caretaker relative works a second or third shift when the parent or caretaker relative requests it and the Day Care Unit Director and the Deputy Commissioner determine that it is necessary to allow him/her to get a minimum of 6 hours sleep per day.**

Indicate the number of hours allowed by your district (maximum number of hours allowed is eight).
