Appendix M #1: Reasonable Distance, Recertification Period, Family Share, Very Low Income, Federal and Local Priorities

I. Reasonable Distance

Define "reasonable distance" based on community standards for determining accessible child care.

1. The following defines "reasonable distance":

90 minutes or less each way

The amount of travel time indicated by the applicant will be accepted as indicated if the travel time is one hour or less each way. If the amount indicated is more than one hour each way, additional information or documentation must be provided to determined reasonable distance.

2. Describe any steps/consultations made to arrive at your definition:

Consultations with Day Care Unit, Employment Program, Temporary Assistance staff and Child Care providers.

II. Recertification Period

The district's recertification period for low income child care cases is every:

- Six months
- Twelve months

III. Family Share

"Family Share" is the weekly amount paid towards the costs of the child care services by the child's parent or caretaker. Your district must select a family share percentage from 10% to 35% to use in calculating the amount of family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family's annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the district:
35%

Note: The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS).

IV. Very Low Income

Define "very low income" as it is used in determining priorities for child care benefits.

"Very Low Income" is defined as **100%** of the State Income Standard.

V. Federal and Local Priorities

1. The district must rank the federally mandated priorities. Cases that are ranked 1 have the highest priority for receiving child care assistance. These rankings apply to case closings and case openings.

a. Very low income as defined in Section IV:

- Rank 1
- Rank 2
- Rank 3

b. Families with incomes up to 200% of the State Income Standard that have a child with special needs and a need for child care:

- Rank 1
- Rank 2
- Rank 3

c. Families with incomes up to 200% of the State Income Standard that are experiencing homelessness:

- Rank 1
- Rank 2
- Rank 3

2. Does the district have local priorities?

- Yes
- No

If yes, list them below and rank beginning with Rank 4.

Appendix M #2: Case Openings, Case Closings, and Waiting List

I. Case Openings When Funds Are Limited

If a social services district does not have sufficient funds to provide child care services to all families who are applying, the district may decide to open certain categories of families as funds become available. The district must open federal priorities first. If the district identified local priorities, they must be opened next. **After the federal and local priorities**, identify the basis upon which the district will open cases if funds become available. Select one of the options listed below and describe the process for opening.

1. Open cases based on **FIRST COME, FIRST SERVED**.

2. Open cases based on **INCOME**.

If opening based on income...

The district will open cases starting from the lowest income to the highest income.

The district will open cases based on income bands, starting from the lowest income band to the highest income band.

If using income bands, list the bands, starting from the one that will be opened first:

0-99% SIS

100%-125% SIS

126%-149% SIS

150%-174% SIS

175%-200% SIS

3. Open cases based on **CATEGORY OF FAMILY**.

4. Open cases based on **INCOME AND CATEGORY OF FAMILY**.

5. Open cases based on **OTHER CRITERIA**.

II. Case Closings When Sufficient Funds Are Not Available

If a social services district does not have sufficient funds to continue to provide child care assistance to all families in its current caseload, the district may decide to discontinue child care assistance to certain categories of families. The district must close federal priorities last. If the district identified local priorities, they must be closed next to last. **After the federal and local priorities**, describe the basis upon which the district will close cases if sufficient funds are not available.

If no priorities are established beyond the federally mandated priorities and all funds are committed, case closings for families that are not eligible under a child care guarantee and are not under a federally mandated priority must be based on the length of time they have received services (must choose #1 below).

Select one of the options listed below and describe the process for closing.

1. Close cases based on **AMOUNT OF TIME** receiving child care services.

2. Close cases based on **INCOME**.

If closing based on income...

The district will close cases starting from the highest income to the lowest income.

The district will close cases based on income bands, starting from the highest income band to the lowest income band.

If using income bands, list the bands, starting from the one that will be closed first:

175%-200% SIS

150%-174% SIS

126%-149% SIS

100%-125% SIS

0-99% SIS

- 3. Close cases based on **CATEGORY OF FAMILY**.
- 4. Close cases based on **INCOME AND CATEGORY OF FAMILY**.
- 5. Close cases based on **OTHER CRITERIA**.

III. Waiting List

The district will establish a waiting list when there are not sufficient funds to open all eligible cases.

- No
- Yes

Appendix M #3: Fraud and Abuse Control Activities and Inspections

I. Fraud and Abuse Control Activities

1. Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payments in addition to procedures for referring such applications to the district's front-end detection system.

The District conducts FEDS investigations on child care subsidy applications if an application contains 1 or more indicator(s) as listed below and the eligibility worker is not confident that the indicator in question has been explained or supported adequately. Once identified, the application is referred to the Special Investigations Division (SID) via the completion of form B-5390 with documentation of the identified indicator for a FEDS investigation. Upon receipt of a child care FEDS referral, an SID Special Investigator is assigned to the case. The Special Investigator schedules an office or home visit with the applicant. The Special Investigator will conduct an investigation and respond to the Day Care Unit within 21 days of the receipt referral as to the findings of the investigation. The eligibility worker will respond to SID within 45 days of the receipt of the findings, by completing the B-5389 SID FEDS/Child CARE Unit Survey Response form and indicating the action taken on the case.

- Information on Child Care Assistance Application is inconsistent with case information
- Applicant indicates he/she is working off the books
- Applicant is self-employed, but cannot provide adequate business records
- Applicant has a prior history of case denial, case closing or overpayment

- Child Care provider lives in the same residence as the child being provided care
- Applicant is employed by the Child Care Facility/provider that the child attends

2. Describe the sampling methodology used to determine which cases will require verification of an applicant's or recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

The district cannot use criteria such as the age of provider, the gender of provider, a post office box address, or evidence that the child lives in the same residence as the provider as indicators in drawing the sample.

Applicant's/Recipients are subject to a 90 day review of income verification to determine continued need for child care assistance

3. Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

A random sample of 25 child care providers will be selected on a quarterly basis for the purpose of comparing the child care providers attendance forms for children receiving subsidized child care services with any Child and Adult Care Food program inspection forms to verify that child care was actually provided on the days list on the attendance forms. Any provider selected in the calendar year will not be included in subsequent samples unless a discrepancy is found.

II. Inspections of Child Care Provider Records and Premises

The district may choose to make announced or unannounced inspections of the records and premises of any provider/program that provides child care for subsidized children to determine if the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the social services district per 18 NYCRR §415.4(h)(3).

The district has the right to make inspections *prior to subsidized children receiving care* of any child care provider, including care in a home, to determine whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the district.

The district must report violations of regulations as follows:

1. Violations by a licensed or registered child care provider must be reported to the applicable Office of Children and Families (OCFS) Regional Office.
2. Violations by an enrolled or enrolling legally-exempt child care provider must be reported to the applicable Enrollment Agency.

Does the district choose to make inspections of such child care providers/programs?

- No.
- Yes. Provide the details of your inspections plan below.

The following types of subsidized child care providers/programs are subject to this requirement:

Legally-Exempt Child Care

In-Home

- Family Child Care
- Group programs not operating under the auspices of another government agency

Appendix Q: Additional Local Standards for Child Care Providers

The district may propose local standards in addition to the State standards for legally-exempt providers who will receive child care subsidies issued by the district. This appendix must be completed for **each** additional local standard that the district wants to implement.

The district must coordinate with the local Enrollment Agency, including, but not limited to:

- Informing the Enrollment Agency of the intent to request an additional standard.
- Developing the stepwise process referenced in Question 5.
- Ensuring that no significant burden of work shall be incurred by the Enrollment Agency as a result of the additional local standard, unless such work is addressed in a separate contract or a formal agreement is in place, which are referenced in Question 3.
- Sharing any consent/release form that may be required.
- Keeping the Enrollment Agency informed of the approval status.

1. Select the additional local standard that will be required of child care providers/programs.

- Verification, using the district's local records, that the provider has given the caretaker complete and accurate information regarding any report of child abuse or maltreatment in which he or she is named as an indicated subject

Local criminal background check

Require providers caring for subsidized children for 30 or more hours a week participate in the Child and Adult Care Food Program (CACFP).

Note that districts are required to notify the Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, of all providers on the referral list for whom the requirement is "not applicable."

2a. Exceptions: There may be instances when the district may be unable to enact the additional standard, such as, the applicable person may reside outside of the district's jurisdiction, or the site of care may not be located within the district. In such cases, the district may create an exception to

the applicability stated above.

Note: The Child Care Facility System cannot track such exceptions and, therefore, the district remains responsible for notifying the applicable Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, that an additional standard is "not applicable" to the specific provider/person named on the referral list.

Place a check mark below to show any exception to the applicability of this Local Additional Standard to programs or roles previously identified.

- a. The district will not apply this additional local standard when the applicable person **resides** outside of the subsidy-paying district.
- b. The district will not apply this additional local standard when the **program's site of care is located outside** of the subsidy-paying district.
- c. The district will not apply this additional local standard when **the informal provider is younger than 18 years** of age.

3. Districts are responsible for implementation of the additional local standard unless they have a formal agreement or contract with another organization. Check the organization that will be responsible for the implementation of the additional local standard.

- Local social services staff
Provide the name of the unit and contact person:
Day Care Unit, Patricia Musial
- Contracted agency (must correspond to Appendix K, Question 3b)
Provide the name of the agency and contact person:

Note: Costs associated with the additional local standard cannot be passed on to the provider.

4. Are there any fees or other costs associated with the additional local standard?

- Yes
- No

Note: Costs associated with the additional local standard cannot be passed on to the provider.

5. Describe, in chronological order, the steps for conducting the additional local standard. Include how the district will retrieve referrals from CCFS, communicate with providers and other applicable persons, determine compliance with the additional local standard, inform the Enrollment Agency whether the additional local standard has been "met," "not met" or is "not applicable" and monitor its timeliness. Include all agencies involved and their roles. Note that the district's procedures must be in accordance with 12-OCFS-LCM-01.

Erie County Department of Social Services (ECDSS) will arrange for a background check of criminal convictions to be conducted for the purpose of verifying that the individuals checked in question #2 above have accurately reported their criminal convictions history to the Enrollment Agency (EA). The checks will be conducted by the local district utilizing the Office of Court Administration.

The district will provide an OCFS Approved District Created Criminal Background Check Authorization and Release Form in the enrollment package, which will authorize the local criminal history database check. The individuals checked in question #2, will be required to complete and sign the Criminal Background Check Authorization and Release Form, allowing ECDSS, its agents or employees, to conduct a criminal background check to retrieve criminal convictions information. The individual checked in question #2 will be instructed to return to the EA, the completed and signed Criminal Background Check Authorization and Release Form. If the individual checked in question #2 refuses to complete, sign, and/or submit the Criminal Background Check Authorization and Release Form, the enrollment package will be considered

incomplete. As a result, the enrollment process cannot move forward and the enrollment package will be withdrawn by the EA in accordance with OCFS policy.

To initiate the additional standards check, per 12-OCFS-LCM-01, the Child Care Facility System will automatically generate the referral for the applicable child care program types and individual roles. Designated district staff will run the LE Additional Local Standard Referral List report in CCFS to obtain the list of persons subject to the additional local standard.

The district will conduct the check utilizing the Office of Court Administration. If the search results in the findings of a misdemeanor and/or felony conviction/s, the child care unit staff will provide the conviction information to the EA. In accordance with the Guide to Enrollment, the EA will evaluate any discrepancies of the conviction/s and the sworn statement of the applicable individual(s).

The district provides detailed information with the EA to that of crimes where there was a subsequent conviction using the OCFS 2114 for consideration in making full enrollment decisions. The EA compares the results with the sworn statement submitted by the provider to the EA and will take action in accordance with OCFS policy.

In accordance with the Guide to Enrollment, the EA will evaluate any discrepancies of the conviction/s and the sworn statement of the applicable individual(s). In accordance with 12-OCFS-LCM-01, For each person referred, Erie County Department of Social Services will complete the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, and send it to the applicable Enrollment Agency to notify the Enrollment Agency of the determination of: "Met", "Not Met" or "Not Applicable"

The standard is "met" when:

- The Criminal Background Check Authorization and Release Form is completed, signed by those that are required to do so and submitted to the EA*

AND

- The criminal background check is conducted for all the applicable parties.*

The standard is considered to be "not met" when:

- The Criminal Background Check Authorization and Release Form is not completed, signed or submitted to the Enrollment Agency*

AND/OR

- The criminal background checks cannot be completed due to the lack of cooperation of the provider or those who are required to participate according to their roles as indicated in question #2*

The standard is considered to be "not applicable" when:

- the applicable person resides outside of the subsidy-paying district.*
- the program's site of care is located outside of the subsidy-paying district.*
- the informal provider is younger than 18 years of age.*

6. Indicate how frequently the additional local standard will be applied. Answer both questions.

1. The Standard will be applied:

- At initial enrollment and re-opening
- At each re-enrollment

2. The district will assess compliance with the additional local standard:

During the enrollment **review** period, and the district will notify the Enrollment Agency of the results within 25 days from the E-Notice referral date.

During the 12-month enrollment period, and the district will notify the Enrollment Agency of the results promptly. Note that this option is always applicable to an additional local standard requiring participation in CACFP.

7. Describe the justification for the additional local standard in the space below.

The additional information gained through the local criminal history check will be shared with the Enrollment Agency to provide them with an informed background on the potential provider when making their final full enrollment decision.
